Cross Border Labor Market

Next steps

Network building:

- Transdisciplinary cross border network:
urban, economic and territorial development
- More workshops in Euregion cities:
know your peers
know each others strengths, weaknesses, challenges, threats
- Connect to European Urban Knowledge Network

Next steps

Projects

- Campus development, connect
- Circular Economy, Materials, Energy
- E-mobility,
- Jobs in automotive

Living Lab

- Cross border labour market

Show yourself: European Urban Agenda

Why is cross border development difficult?

- Language
- Time
- Differences in governance and cultures
- Lack of awareness
- Lacking sense of urgency
- Lacking common vision
- Lack of dedicated European funds for cross border Integrated Territorial Investments
